

## **Zoom Telephonics, Inc. Joins Information Portal StockProfile.com**

Boston, MA, March 31, 2010 -- Zoom Telephonics, Inc. (OTCBB: ZMTP) today announced that it has become a member of [www.StockProfile.com](http://www.StockProfile.com), a customized web-based platform that showcases emerging growth stocks.

StockProfile.com is an exclusive platform that provides unique information for investors who like to conduct their own research and make their own investment decisions. The platform allows users to review and investigate publicly traded companies in a user-friendly environment. The StockProfile.com platform allows a limited number of companies to profile their stock on the website. Through the StockProfile.com platform, these companies can raise their public profile with an audience of independent Internet savvy investors.

“We are pleased that Zoom Telephonics has been chosen for inclusion by StockProfile.com,” said Frank Manning, Zoom’s President and CEO. “This will increase interest in our company and make it easier to follow our progress.”
